This year marks the 125th anniversary of the publication of the Ellen White classic, *Steps to Christ*. Sister White has recently been named one of the 100 most influential Americans by the Smithsonian. With that in mind, this would be a good time to pull out your copy and resolve to read it again this year. Ask the Lord to show you someone with whom you can share the book.

Day Light Savings ends. Remember to turn your clocks forward to "Spring" ahead.

Out of respect for fellow worshippers, please silence all electronic devices.
